The concerts during the month-long event, Acousmatic Lab, comes to a conclusion presenting two concerts on saturday the 28th of januari:

Radiophonic Art for Acousmonium, 19:30
Concert with Lise-Lotte Norelius, 20:30

Radiophonic Art for Acousmonium.

Karlskrona/Malmö.

Radiophonic-acousmatic art and video by Kent Olofsson and Jörgen Dahlvist. "Karlskrona-Malmö" is a work-in-progress for video installation and multichannel radiophonic/acousmatic art. The work is planned as a part of a larger work on the conflict between the city and the countryside and its consequences. The small cities depopulate and the community support and service systems deteriorate. A chasm between city and countryside occurs...
